屠宰流程	照片
脫毛	 A photograph showing several chickens suspended by their feet on a metal conveyor belt. They are moving through a large industrial plucking machine with various rollers and blades. The scene is brightly lit, and the machinery is made of stainless steel.
清洗	 A photograph of chickens on a conveyor belt in a cleaning station. The chickens are being washed with high-pressure water jets. The floor is painted green, and there are various pipes and equipment visible in the background.
冷卻	 A photograph showing chickens in a large cooling tank. The tank is filled with water and ice, and the chickens are being cooled by large, curved metal blades that rotate in the water. The scene is dimly lit, with some overhead lights visible.
吊掛至分切場	 A photograph of chickens hanging on a conveyor belt in a cutting area. The chickens are suspended by their feet and are moving along a metal track. The area is brightly lit with overhead fluorescent lights.
